

Toilet & macerator unblocker

Gel

Toilets & sanitary macerators

- ✓ Destroys paper, prevents blockages, protects macerator pump
- ✓ Concentrated in cellulase enzymes, septic tank safe
- ✓ Leave to act for 8 h (ideally overnight), then flush

FEATURES

In toilets and macerators, accumulated paper causes blockages or strains the motor. This biological* unblocker is rich in cellulase enzymes specifically formulated to break down cellulose: it digests paper before it causes a clog. Suitable for both preventive and curative treatments, and fully safe for septic systems.

INSTRUCTIONS FOR USE

- ✓ Unblocking: mix 500 ml of product with 500 ml of warm water.
- ✓ Prevention: mix 200 ml of product with 500 ml of warm water.
- ✓ Leave to act for 8 hours then flush the toilet.

RECOMMENDATIONS

- ✓ Compatible with: macerators and septic tanks.
- ✓ Keep out of reach of children.

* The product or its components are not derived from organic farming. The term 'bio' or 'biological' refers to enzymes derived from microbiological organisms.
