

Drain odour stopper

Gel

All drains and pipes

- ✓ Radically eliminates odours, removes residues, prevents clogging
- ✓ Extra-strong odour eliminator, safe for septic tanks and plastic, avoid acid-sensitive surfaces (marble, aluminium, copper, brass, enamel)
- ✓ 1st use: 250 ml ? 6 h without running water, maintenance: 2 capfuls (80 ml)/week

FEATURES

Bad odours rising from sinks or showers come from organic residues accumulated in traps and pipes. Its active enzyme formula breaks them down at the source instead of masking them, providing immediate and long-lasting effects. By eliminating these deposits, it also prevents blockages. Result: clean, odour-free drains over time.

INSTRUCTIONS FOR USE

- ✓ Shake bottle well before use.
- ✓ 1st use: pour 250 ml into the drains.
- ✓ Weekly maintenance: pour 2 capfuls (80 ml) per drain.
- ✓ Leave to act for 6+ hours (without running water).

RECOMMENDATIONS

- ✓ Compatible with all pipes, including plastic, and with septic tanks.
- ✓ Avoid contact with acid-sensitive surfaces: marble, aluminium, copper, brass, galvanized metals, enamel, and damaged surfaces.
- ✓ Keep out of reach of children.

* The product or its components are not derived from organic farming. The term 'bio' or 'biological' refers to enzymes derived from microbiological organisms.
