

DIY INGREDIENTS
1020450

Sodium Percarbonate (Oxygen Bleach)

Powder

White laundry, tile grout, hard surfaces (multi-purpose)

- ✓ Pre-wash stain remover, brightens whites, purifies and degreases
- ✓ Bleaching properties, chlorine- and phosphate-free, 100% naturally derived, ECOCERT certified

FEATURES

The active oxygen whitener and stain remover. Activated by water heat (from 40°C), sodium percarbonate releases agents that eliminate organic stains (coffee, wine, blood), brighten whites, and deeply purify surfaces.

INSTRUCTIONS FOR USE

- ✓ White & light laundry: add 1 to 2 tablespoons into the washing machine drum to restore brightness and remove stains.
- ✓ Tile grout & patios: mix 1 part powder with 2 parts hot water into a paste. Apply, let sit 30 min, scrub with a brush and rinse.

RECOMMENDATIONS

- ✓ Do not use on dark colours or delicate fabrics (wool, silk).
- ✓ Always test on an inconspicuous area first.
- ✓ Wearing gloves recommended.
- ✓ Store in a dry place, away from heat.
- ✓ Keep out of reach of children.

Detergent certified by ECOCERT Greenlife according to the ECOCERT 'Ecodetergent' standard available at <http://detergents.ecocert.com>

* The product or its components are not derived from organic farming. The term 'bio' or 'biological' refers to enzymes derived from microbiological organisms.
