Caustic soda standing water drain unblocker

Gel

Sinks, basins, showers, bathtubs

- ✓ Unblocks, degreases and cleans, dissolves fats, soap and organic matter
- ✓ 20% naturally derived caustic soda, ECOCERT certified, gel formula that sinks through standing water
- ✓ Leave to act for 30 min, rinse with hot water (500 ml unblocking, 250 ml maintenance)

FEATURES

Formulated with 20% naturally derived caustic soda, it dissolves grease, soap scum, and organic matter blockages. Its dense gel formula is engineered for fully blocked drains: it cuts directly through standing water without diluting to target the clog head-on, where liquids would disperse. Suitable for kitchen and bathroom drains, septic tanks, and grease traps.

INSTRUCTIONS FOR USE

- ✓ Unblocking: pour 500 ml (1/2 bottle).
- ✓ Maintenance: pour 250 ml (1/4 bottle).
- ✓ Leave to act for approx. 30 min, then rinse thoroughly with hot water.
- ✓ Repeat if necessary.

RECOMMENDATIONS

- ✓ All drains and plumbing.
- ✓ Do not mix with other products.
- ✓ Keep out of reach of children.

Detergent certified by ECOCERT Greenlife according to the ECOCERT 'Ecodetergent' standard available at <http://detergents.ecocert.com>

* The product or its components are not derived from organic farming. The term 'bio' or 'biological' refers to enzymes derived from microbiological organisms.
